Hate Crime & Anti-Social Behaviour

The Hallmark Hotel, Glasgow 28th Feb – 1st March 2020

Dear Colleagues,

The National Association of Councillors are holding our next event in Glasgow. The Hotel has good facilities and is located in the city centre with good public transport links. The subject we will be discussing is Hate Crime & Anti-Social Behaviour. All our cities, towns and villages suffer from this type of what is perceived to be a blight on our communities.

As councillors we need to be aware of what we can offer our communities to enable people to feel safer in their surrounding areas . We have invited speakers from Glasgow's Hate crime unit, Police Scotland and the Voluntary sector attached to Education and we will have the opportunity to question them during the presentations.

This event has been requested by NAC members please book early to avoid disappointment.
